

Professional Legal Expense Insurance for Dentists

Available throughout Canada

As a dental professional, you may be faced with the possibility of becoming involved in legal disputes. You may be called upon to respond to a complaint made to your regulatory body or even be faced with an investigation of your billing procedures. If you find yourself facing these issues, the last thing you need to worry about is the significant expense associated with engaging legal counsel.

Curtis Insurance Ltd., understands the need to protect your professional status. Working with Lloyd's of London, Curtis is now able to provide a Legal Expense Insurance program for Dentists in Canada. The program covers the key needs identified by Dentists and Dental Surgeons.

Coverage for legal fees and disbursements when you require representation by a lawyer.

When required, you will select your lawyer from a panel of legal firms who specialize in representing healthcare professionals. The legal fees of the lawyer you choose to represent you will be paid up to a maximum hourly rate of \$275.
